## Course Announcement & Registration

# WASTE HAULER TRAINING WITH BAT MANUFACTURERS

This 2 hour course will provide you with the knowledge to properly clean individual BAT units with instructions straight from the manufacturer. We plan to have 3-5 manufacturers present, confirmed so far are: Hoot, Norweco, Orenco and Waterloo. Participation in the class will result in a Certificate of Training for each given unit, allowing you, the hauler, to clean these systems.

**Manufacturers are looking for trained waste haulers to recommend to homeowners. Increase your business for 2 hours of your time and \$20!**

### Who Should Attend this Course?

This course is intended for septic haulers within the onsite wastewater industry.

### Now Accepting Registration for the following classes:
